From the House of the Divine Will

Feast of the Epiphany

ANNOUNCING THE THIRD FIAT OF GOD

*The Recall of the Creature to the Order, the Place,
and the Purpose for which it was created by God*

"That which I say to you about my Will is but the development of our Decree, made from all Eternity in the Consistory of the Most Holy Trinity, that Our Will must have Its Kingdom upon the earth; and our decrees are infallible; no one can impede Us from effectuating them. As was the Decree of Creation and of Redemption; so, too, the Kingdom of Our Will upon the earth is our Decree."

(Jesus to Luisa Piccarreta)

**"My Divine Will is the Seed, the Beginning, the Means, the End,
and the Coronation of Man, my Gospel, and my Church."**

(Jesus to Luisa Piccarreta)

Dear Sons and Daughters of God,

We want to warmly welcome you: Priests, religious and laity to the "Letters of Gold" Internet subscription.

Many of you have been receiving the Letters of Gold for the past 13-14 years, or less, by regular postal subscription, but now you who have received this email will be receiving future Letters of Gold electronically. This will make things much easier for us here at the House of the Divine Will, because the paper editions are very time consuming for us.

The advantage of the electronic edition for the subscribers is that you will be the first to receive the new Letters of Gold when they are ready, and, if there is something special to share between issues, it will be easy to send those items to you.

To the many new subscribers: WELCOME! We are glad to get to know you, even if remotely. Our objective is to publish at least four issues of Letters of Gold annually. Last year, however, we only published 3 issues (January, June, and November) due to an unanticipated, full and busy year with many things related to the now coming Reign of the Divine Will on earth as in Heaven.

I salute you as Sons and Daughters of God because your interest in the Coming of the Father's Kingdom, which Jesus taught us to pray for, is the result of your correspondence to a very special grace from Jesus through Mary, in these times of great apostasy, to be enlisted in the ranks of the "Overcomers" who will be given the "Hidden Manna" and a "New Name" written which no man knows but he who receives it [Apoc. 2.17].

I was trying to produce a new issue of the Letters of Gold to send to you this Feast Day of the Epiphany, but time ran out! Therefore, I will continue working on our 54th Issue and send it as soon as it is feasible.

Meanwhile, especially for those who are new to the knowledge of the Servant of God Luisa Piccarreta, whose Cause of Beatification is being processed now in the Vatican and whose glorious writings on the Father's Kingdom coming to reign in souls, I am inserting here a couple of items from her writings which were given the Nihil Obstat by St. Hannibal Di Francia and the imprimatur by Archbishop Joseph Leo in 1926.

The following excerpts are from Volumes 18 and 16 of the "Book of Heaven" by Luisa:

Vol.-18

Jesus to Luisa: "I bless these writings with all my Heart; I bless each word, I bless the effects and the value they contain; these writings are part of Myself." Then He called the Angels who, bowing in a profound aspect, began to pray. And because there were a few Priests present who needed to see the writings, Jesus told the Angels to touch their foreheads to imprint on them the Holy Spirit and infuse in them the light so they could understand the truth and the good that are in these writings. The Angels complied. And Jesus, blessing us all, disappeared.

Vol.- 16

[Title to text from the "Book of Heaven," dated February 10, 1924:]

The Necessity of Luisa writing everything that Jesus tells her. The good that these writings will produce. Indisputable purity, sanctity and strength of the doctrine of the Divine Will. It will be as a new Sun in the Church, which will renew Her and therefore transform the face of the earth. Abandonment in the Divine Volition.

[Within the text of the entry for the above date, Jesus said to Luisa:]

"... in my All-seeingness, I see that these writings will be for my Church as a new Sun which will rise in her midst; and men, attracted by its radiant light, will strive to transform themselves into this light and become spiritualized and Divinized, and therefore, renewing the Church, they will transform the face of the earth.

I close this email with the prayer and hope for each of you that 2007 will continue to be a year of "overcoming" the great apostasy of our times and a year of accelerated growth in the knowledge and love of the Father's Kingdom, which now wants to reign in your souls.
